_____ Engineering/Physical Sciences

Senior Team Projects

_____ Teams

You will be notified by mail/fax/e-mail of your acceptance as a judge along with your assigned category and time(s). Please note that we usually have a shortage of judges in the life sciences and a surplus of volunteers in the engineering and computers, thus there is a possibility that we may ask you to judge in a different category from those you indicate. We would greatly appreciate you giving copies of this form to your professional colleagues.

Return the judging application to:
